## Our Mission

Theaters are modern day techno-pulpits; people flock to their local multiplex to let directors and screenwriters influence how they feel, think, and act. As image-bearers of God we in turn have a yearning to both create and be entertained by stories. Holistic lessons are often learned more effectively through narrative than with bullet-point outlines and graphs.

Christians should enjoy and engage film not just as entertainment, but also to engage culture, and reflect on how it relates to the gospel.
