Our Mission

Theaters are modern day techno-pulpits; people flock to their local multiplex to let directors and screenwriters influence how they feel, think, and act. As image bearers of God, we have a yearning to both create and be entertained by stories. Holistic lessons are often learned more effectively through narrative than with bullet-point outlines and graphs.

Christians should enjoy and engage film not just as entertainment, but also to engage in culture, and reflect on how it relates to the gospel.

The movies shown in the Film Series may be checked-out for home use after group presentations.
